FISCAL NOTE

TO: Chief Clerk of the Senate

Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: January 29, 1996

SUBJECT: **SB 2658**

This bill, if enacted, will provide for the replacement of utility district commissioners by vote of customers at the district's annual meeting. Current law allows the remaining commissioners to submit a list of names from which the county executive may appoint a new commissioner.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures* for notification of customers regarding the upcoming election. Such increase cannot be readily determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
